

A hand holding a glowing lightbulb, symbolizing an idea or innovation. The background features a circuit board and a laptop screen with code, suggesting a technical or digital context. The word 'Normas' is written in a dark box in the top left corner.

Normas

ISO 11125-5:2018

Preparation of steel substrates before application of paints and related products — Test methods for metallic blast-cleaning abrasives — Part 5: Determination of percentage defective particles and of microstructure
