

A hand holding a glowing lightbulb, symbolizing an idea or innovation. The background features a circuit board and a laptop screen with code, suggesting a technical or digital context. The word 'Normas' is written in a dark box in the top left corner.

Normas

ISO 16603:2004

Clothing for protection against contact with blood and body fluids — Determination of the resistance of protective clothing materials to penetration by blood and body fluids — Test method using synthetic blood
